

Peter Johansen

Digital UX designer

Profile

I am passionate about creating and improving digital design, with the user of the concept or product in focus. As a person, I am proactive, work in a structured way, and am caring. In my work, I can draw on experiences with teaching, service and coordination from my work as a service employee and substitute teacher, as well as experience in design, product and concept development and teamwork from my studies.

Experience

Tivoli guard

Tivoli | Copenhagen | June 2022 - December 2022

Maintaining order and safety in the park, providing information and direction to guests, and helping to enforce park rules

Usher and bartender

Det Ny Teater | København | 2016 - 2022

Responsible for guest satisfaction

Substitute teacher

Tjørnelyskolen | Greve | 2012 - 2023

Work with children aged 6 to 17 with a diagnosis within the autism spectrum. Have worked as a substitute in both elementary and secondary school.

Communications Student Employee

TDC NET | Copenhagen | Januar 2021 - November 2021

Student Employee in TDC Net Operations Communications Department with a special focus on graphic work.

Head usher

Grønnegårdsteatret | Copenhagen | 2019 - 2021

Responsible for guest satisfaction in the theater

Spare time

I spend my free time working with theater, and in doing so, have strengthened my skills in process management, communication and rhetoric. Additionally, for many years I have been a co-organizer of and volunteer for various concerts and festivals.
